4 To train as a pilot can be very expensive. The cost of accommodation and meals as well as the actual cost of training must be taken into account. In 2018 the cost to an individual to become a pilot was 730 000 AED. *Emirates* aims to employ those pilots that have the best qualifications and skills.

Competition for air travel has increased over recent years as more and more people travel around the world, for work and pleasure. People are also taking holidays to many more different places. Lower cost airlines are entering the market to attract travellers.

Many trainee pilots take a bank loan of 730 000 AED to pay for their training.
